

Spring 2025 Phoenix College Phlebotomy Program Schedule

The Phlebotomy Program Courses consist of 3 courses, PLB109, PLB111, and PLB122.

Orientation for PLB109 and PLB111 is on Tuesday, January 21, 2025 from 5pm-6:30pm in the Phoenix College HE building.

Classes (PLB109 and PLB111) run sequentially from February 11, 2025 through May 8, 2025, on Tuesdays and Thursdays from 5pm-9pm. PLB109 runs from February 11 through April 3 and PLB111 runs from April 8 through May 8.

PLB109 and PLB111 are hybrid courses. The majority of your coursework will be completed online.

You will participate in lecture and lab in-person on Tuesdays and Thursdays from 5pm-9pm in the Phoenix College HE building. The property address for the Phoenix College HE building is: 3144 North 7th Avenue, Phoenix, AZ 85013, located on the corner of 7th Avenue and Flower.

Clinical externship (PLB122):

Every day, 40 hours per week (140 hours total), Mondays through Fridays between the hours of 7am and 5pm from May 12-May 30, 2025. Each student schedule will vary depending upon the dayshift hours of the clinical site the student is placed in.

Mondays through Fridays, 5 days per week for 3 straight weeks
8 hours per day, usually between the hours of 7am-5pm

This class is held offsite at a clinical externship site.

Each student schedule will vary depending upon the dayshift hours of the clinical site the student is placed in.

Please note externship dates may be delayed or completely canceled if public health issues arise.

Every effort will be made to place students in clinical externship but externship dates may be delayed indefinitely depending on the current public health situation.

In the event of clinical externship delay or cancelation, virtual clinical externships with completely online coursework, will be required to complete the program and obtain a certificate of completion.
