

Medical Laboratory Science (MLT Level) Program Student Outcomes Measures:

Graduating Year	ASCP Exam Pass Rate (within 1 st year)	% of Graduates Retained After Entering Final Half of the Program	Graduate Job Placement in 1 year (or Continuing Education)
2022	89%	100%	89%
2023	100%	100%	90%
2024	100%	100%	87%*
3-year Program Average	93%	100%	89%

Notes: The three year weighted average pertains to the period for May 2022- October 2024. Data is current as of 10/22/2024.

Graduation and attrition rates are cohort based. Cohorts are defined as all students enrolled in the MLT core program courses at Phoenix College entering the final half of the program (MDL246 or higher) and have graduated or withdrawn as of June 30, 2024.

Placement and exam pass rates are based on all graduates in a calendar year. Of those individuals who responded to the surveys, graduates were counted as placed if employed in the field or continuing their education within 12 months of graduation. Graduates were counted as passing the ASCP Board of Certification exam (or other recognized exams) if they passed within one year of graduation.

*2024 graduates have until 5/10/2025 to pass ASCP examination or become employed. The data above is current as of 10/22/2024, rates may change by 5/10/2025.

MLT program outcomes measures as defined by the National Accrediting Agency for Clinical Laboratory Science (NAACLS, 5600 N. River Road, Suite 720, Rosemont, IL 60018, 773-714-8880, www.naacls.org)
